Title: METHODS FOR DIAGNOSTIC AND/OR TREATMENT OF ANTIPHOSPHOLIPIDS ANTIBODIES-RELATED DISEASES AND DEVICES		

DECLARATION OF MIGUEL ANGEL IBÁÑEZ-HERNANDEZ

Hon. Commissioner of Patents
and Trademarks
Washington, DC 20231

Sir:

I, Miguel Angel Ibáñez-Hernández, hereby declare that:

1. I am a joint-inventor of the above-identified application.
2. I am a co-author of the following paper, which has been cited in the above-identified application:

Aguilar, L., et al., J. Biol. Chem. 274:25193-25196 (1999)

3. I, Miguel Angel Ibáñez-Hernández am the same person as Miguel Ibañez, named as an author in Aguilar, L., et al.

4. I believe that I, along with María Isabel Baeza-Ramírez, José Leopoldo Aguilar-Faisal, Carlos Wong-Ramírez and Mónica Lara-Uc, are the original, first and joint inventors of the

subject matter described and claimed in the above-identified application, and of the subject matter disclosed in the paper identified in paragraph 2 above.

5. It is customary practice to include as authors on papers individuals who have been involved with the reported project in some manner. However, if such individuals are not involved in conception of the subject matter of the claims of a patent application, they are not inventors of the invention claimed in the patent application.

6. Although Guadalupe Ortega-Pierres, Begoña Campos, Rocio Fonseca, Norberto Farfán, Jorge M. Naciff, Marcia A. Kaetzel and John R. Dedman were named as authors in Aguilar, L., et al., they were not involved in conception of the subject matter of any of the claims of the above identified application, and are not joint inventors.

7. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: May 2, 2002

Miguel Angel Ibáñez-Hernández
